

## **HOW TO HAVE SAFE SUMMER FUN**

Setting up a lemonade stand this summer is safe summer fun, if you follow some simple tips:

1. Don't sell lemonade by yourself. It's more fun to sell lemonade with your friends and brothers and sisters. Have your parents or another adult supervise you when you sell your lemonade.
2. You can set up your lemonade stand in your own backyard. You don't have to sell lemonade on the street or sidewalk.
3. Set up and decorate a lemonade stand with a group of neighborhood kids or fellow summer campers. You can make lemonade and cookies to sell or simply serve to each other.
4. Have a lemonade party with your Brownie or Girl or Cub Scout Troop, 4-H club or friends from your local recreational center.
5. See who can make the best-tasting and most fun-looking lemonade. Experiment with flavors and colors. Add juices, such as lime juice or orange juice. Use food coloring to make blue or red lemonade! Cut up fruit to add flavor or decorate the glass. Use crazy straws and fun paper cups or glasses.
